

Student Professional Awareness Conference 2018 College to Career, Alumni Panel

November 16th | 1:00 - 2:00 PM | EA 203

Where will you go next?

Learn how to best prepare for the future by maximizing the effectiveness of your college experience.

Hear from University of Memphis Herff College of Engineering alumni about what to invest your time in and what to avoid. Also, create valuable connections with like-minded students and professionals.

“Awesome.

The IEEE SPACs have helped me learn how to take better advantage of the resources here at the UofM, helping me best prepare myself for my career.”

— Brandon Simmers, EECE Senior,
IEEE SPAC attendee
