

TECH 4945 Senior Project Faculty Evaluation

Grades for Projects in TECH 4945, Senior Projects include components for Project Success and Level of Difficulty.

Project Success should be evaluated based on measures of success provided by the student in their proposal from TECH 4943, Senior Project Planning Seminar.

Please use this form to evaluate the student's work. Intermediate values may be used to the nearest tenth. This evaluation constitutes 30% of the student's grade for the course.
