

CELEBRATE WORLD SPACE WEEK WITH

THE UNSUNG HEROES OF APOLLO

PANEL DISCUSSION • RECEPTION • DOCUMENTARY FOOTAGE

ABOUT

Join us for an unforgettable experience as former flight controllers share their memories of working on NASA's Apollo program, with clips from the documentary "Mission Control: The Unsung Heroes of Apollo."

Ahead of his 90th birthday, we will honor **Bill Weppner**, who has freely shared his Apollo memories and taught about the space program in the Memphis community for the past eight years.
